

We are pleased to be working in partnership with Experience Travel Group to raise funds to build a new school in Moe Nyo village near Pyay. Experience specialises in holidays to Asia, including Burma. With a decade of experience under their belts and in-depth knowledge of each country, you can be sure that a trip booked with Experience will be a special one. To browse their extensive list of holidays visit:

Please help us to raise 3500 GBP for the new primary school! Moe Nyo village is in a rural area outside Pyay, and is home to over 40 children. They are miles away from the nearest school and many of them are missing out on their vital education. The new school will be capable of taking in all the children in the village and making a huge difference in their lives. Please donate to this appeal at our Virgin Money Giving page:
